

FISCAL NOTE

SB 2617 - HB 2593

February 13, 2008

SUMMARY OF BILL: Requires for-hire motor carriers, providing passenger transportation services for eight or more people and when such motor vehicle is to be operated 200 miles or more from the motor carrier's primary place of business, to ensure that an automated external defibrillator (AED) is installed in the motor vehicle carrier and that the driver is trained to use the device.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumptions:

- According to the Department of Safety, this bill has no fiscal impact upon departmental revenue or expenditures.
- According to the Department of Revenue, this bill has no fiscal impact upon departmental revenue or expenditures.
- Any expenditures resulting from the additional regulation will be expenses incurred by private business entities.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White".
